Koinonia Homes, Inc. – Board of Directors

David Boswell joined the Board of Directors at Koinonia Homes, Inc. in the fall of 2006. Mr. Boswell holds an MBA and MHA from Xavier University, Cincinnati, Ohio. He also holds a BSBA from the University of Louisville. Mr. Boswell is a Sr. Project Manager at Kaiser Permanente of Ohio, specializing in Medicare administration for the Kaiser Health plan. He is a Fellow with the American Society of Healthcare Risk Managers, and also a member of the Project Management Institute. Mr. Boswell is also a certified Spinning instructor, working when possible at CSU and the Downtown YMCA.

Mr. Boswell's background includes volunteer work serving as Treasurer for the Orchard Civic Association as well as volunteering with the Victory Mission. His professional career is in the fields of Risk Management, Claims Management, Policy Administration and Project Management. Mr. Boswell is married to Monica and has 3 children; Joshua, David and Benjamin. Mr. Boswell's main interests are his family, his faith, running, cycling, fitness, and home improvements. Mr. Boswell has a sister with Developmental Disabilities.

What does being on the Board mean to me? There's no better reward than to serve in a leadership capacity with an organization with a mission like that of Koinonia's. The staff is phenomenally committed, and it's impressive to witness such dedication at work. I try to maintain a perspective that my role with the board as that of a servant-leader; the staff lead this organization.
